

Blue Corner is situated in Jungut Batu along the north west coast of Nusa Lembongan. We are right on the beach front and from here we have beautiful views of Bali and the best sunset location. We have a restaurant and bar that accompanies our dive centre which serves an array of drinks and meals all day.

We are the only PADI Career Development Centre in Nusa Lembongan, which is the highest accolade in professional level diving! We have a great team of PADI dive instructors and dive masters that were all trained in-house by our very own Course Director and owner of Blue Corner Dive!
